CITY OF CHUBBUCK STRATEGIC PLAN

FY 2019 to FY 2024

#choosechubbuck

#createchubbuck

#focusonchubbuck

INTRODUCTION

The FY 2019 – FY 2024 Strategic Plan is the City of Chubbuck’s first strategic plan. The Plan was created through gathering community input through questionnaires, obtaining input from all City Departments, and having discussions with the City’s elected officials. The result is a vision, key performance metrics to achieve by 2024, and identification of actionable opportunities to bring the Plan to fruition. While not a binding policy document, this Plan provides a roadmap to achieving the community’s goals in consideration of the City’s resource constraints.

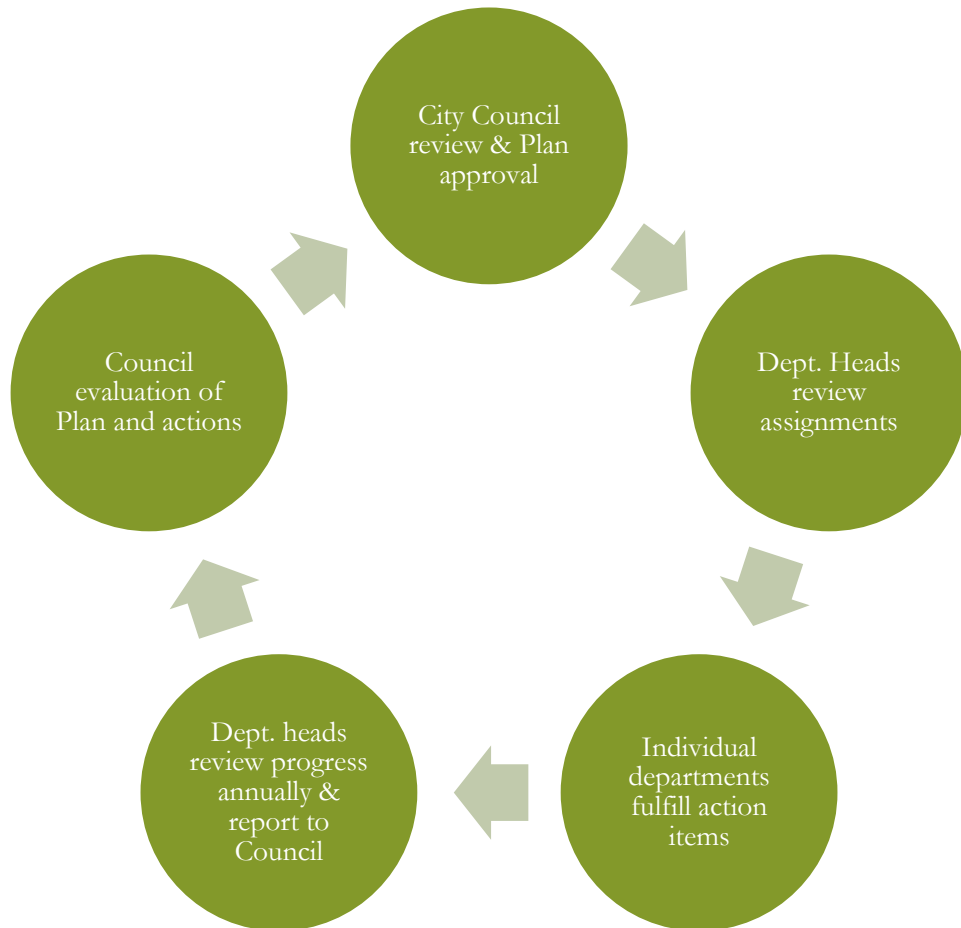

The Strategic Plan is intended to be a living document, reviewed annually by the City prior to budget presentations to identify emerging strengths, weaknesses, opportunities, and threats, and to have its action items amended as needed to add or remove projects crucial to accomplishing its key performance metrics. As part of the budgeting process and/or in other program shifts, City department heads should identify how their requests will further the goals and vision of this plan.

Action items in the Plan are assigned to specific department heads (or division managers). The intent of this plan is that the action items are effectuated by identified department personnel and/or through coordination boards/commissions which are administered by department heads (e.g., Public Works Director, as Executive Director of the Chubbuck Development Authority (CDA), works with the CDA to fulfill a specific action item; the Planning & Development Director works with the Land Use & Development Commission to fulfill a specific action item).

KEY STEPS

- Every year, department heads report on how their departments are fulfilling action items and the vision of the Plan
- Action items are reviewed annually by staff and elected officials to determine if changes should be made
- Every 5 years, questionnaires are sent to the public to evaluate how the performance metrics were met; the Plan is revised as needed

IMPLEMENTATION & ASSESSMENT CYCLE

METHODOLOGY

From December 27, 2017 through February 20, 2018, the City of Chubbuck sought input from area residents on a questionnaire which would lead towards the creation of the City's Strategic Plan. The questions were drafted by City of Chubbuck Staff and reviewed by the City Council prior to seeking responses. The survey was not intended to be exclusive to City of Chubbuck residents as City Staff and the Council sought input from all residents within and near the City.

The questionnaire occurred in 2 formats, one being digital in which a Survey Monkey link was published on the City's social media accounts and Mayor's vlog, provided by the Highland High School Principal to students, and linked in the Mayor's December quarterly newsletter and the second form being paper surveys which were mailed to randomly selected households within the City of Chubbuck. Randomly selected households were determined using mailing info received on November 14, 2018 from the City of Chubbuck's utility billing database under the City Clerk. Responses were incentivized through a drawing for 5 \$25.00 gift cards to an area restaurant through the Pocatello-Chubbuck Chamber of Commerce.

The database contained 4,367 billing addresses and was converted from .txt format to Excel format. Duplicate names were removed from the database using the "Remove Duplicate" data tool in Excel leaving 4,047 unique names, and the list was randomized using the "RANDBETWEEN" function. With the list randomized, the first 600 names were selected. Finally, businesses were removed from the list to create a list of 543 random survey recipients. Paper surveys were distributed along with postage paid return envelopes via the Highland High School Honor Society and a local church youth group.

The Questionnaire for the Strategic Plan received 409 responses with 332 of the responses coming from respondents who indicated that they reside in the City of Chubbuck. At a 95% confidence level, using 2016 ACS 5-Year estimates that the City of Chubbuck has 14,644 residents, responses for those who so indicated that they reside in the City have a confidence interval of +/- 5.4%. Survey results for Chubbuck residents and non-Chubbuck residents are included as appendices to this Plan (malicious comments redacted).

City of Chubbuck's Questionnaire for a Strategic Plan

71	The Yellowstone corridor I would like to see well kept businesses. There are too many middle range restaurants. I believe we allowed too much building of restaurants at once that they are beginning to drop off because Chubbuck doesn't have the disposable income to maintain their presence. I prefer to see local businesses over chains. I like seeing medical and service type businesses along Chubbuck, Hiline, and Knudsen.	1/26/2018 2:17 PM
72	City recreation/Fitness Center, event Center, various businesses	1/26/2018 1:47 PM
73	What area are we calling the center?	1/26/2018 12:56 PM
74	With the medical center and the northgate expansion our quite rural feel is disappearing sad to see it go. Not looking forward to the increased traffic, more people and crime that goes with it. Public services needs to expand.	1/26/2018 11:11 AM
75	Central park type area with city offices and some locally owned retail shopping.	1/25/2018 11:34 PM
76	Accessibility, swimming and physical recreation available.	1/25/2018 9:05 PM
77	Can't wait	1/25/2018 4:49 PM
78	more shopping	1/25/2018 11:48 AM
79	bright	1/25/2018 11:30 AM
80	More trees. Clean/ roads that can accomodate the traffic/ no holes. More ways of keeping pedestrains safe. Foot bridges above traffic for walking and biking i am afraid to walk here.	1/25/2018 11:14 AM
81	North gate finished. We need a community rec center w a pool like Pocatello. Better shopping stores maybe a target?	1/25/2018 10:53 AM
82	Community gathering place for meeting both governmental and private	1/25/2018 10:32 AM
83	dirty	1/25/2018 10:28 AM
84	more retial, dining opportunities	1/25/2018 10:13 AM
85	Clean streets, lights, shops, seating area, eateries, ice cream. Cobblestone. I really like the flags etc on street lights, classy look.	1/24/2018 11:48 PM
86	Community.... more of an activity/learning/creating/ community center with business and retail, etc on the fringes. Keep the most important things central	1/24/2018 11:42 PM
87	Crowded	1/24/2018 11:35 PM
88	clean and modern	1/24/2018 7:21 PM
89	Non existentexistent	1/24/2018 1:06 AM
90	? Well maintained. Trees. As far as shops or businesses, I'm not sure what the population can support.	1/24/2018 12:05 AM
91	Fun, full of activities to do and restaurants and stores to get food from	1/23/2018 10:03 PM
92	A diverse, low intensity area with a mix of small specialty shops, medium to up scale eateries, we will continue to be a bed room community for a big brother to the south...	1/23/2018 5:05 PM
93	Something almost exclusionarily mormon	1/23/2018 4:03 PM
94	Looks good	1/22/2018 11:43 PM
95	unbroken pavement, good parking, excellent shopping, spaced out.	1/22/2018 10:15 PM
96	No opinion.	1/22/2018 10:07 PM
97	Modern? Open, grassy, trees	1/21/2018 9:00 PM
98	A place that does not have empty broken down buildings and you know that it is City Center.	1/21/2018 8:53 PM
99	I hope the area on Yellowstone from Chubbuck road toward Fort Hall would get a face lift. That area is depressing to drive does not look kept up. There are a few nice buildings like the city offices, but most are run down. Most of the attention seems to be at the mall area.	1/21/2018 1:26 PM

153	new and exciting	1/11/2018 9:54 PM
154	Something will give people a reason to leave Pocky and come to Chubbuck. Also you need a new space for the police. There is not enough in your building, the building is also way old. Give them the new one. If you take your just like every other government where they get the best and everyone else gets the scraps. Show your different and people will come to Chubbuck????	1/11/2018 8:57 PM
155	I don't believe our city center qualifies as a city centre	1/11/2018 2:13 PM
156	Hard to say without Chubbuck having a good location for a "City Center." We don't have something similar to an "old town" or some sort of main street. Yellowstone (a state highway) is the Main Street. The DDI area is the central hub for transportation. I'm not sure Chubbuck is situated or was planned in a way to allow for a true "city center" that gives that community feel. Maybe future planning could secure some sort of location/property to provide a "city center." Maybe it's where a future rec center is located, or the medical center. Not sure.	1/11/2018 11:17 AM
157	Yellowstone and Chubbuck Roads	1/10/2018 4:05 PM
158	Right now when I think city center I picture Yellowstone and Chubbuck Rd areas and there are a lot of dumpy businesses in these areas that don't make peoples first impression of Chubbuck a very great one. I'd love to see Yellowstone cleaned up and beautified so when people get off the exits they are amazed at Chubbuck	1/10/2018 1:47 PM
159	I like the idea of a big rec center. I worked at a YMCA in Iowa for years and it was great! Workout classes with a childcare makes a big difference. Pool with also shallow kids area would bring a lot of families in the winter time. I taught a bunch of kids preschool type classes: Tumbling, cooking, art, music, movement that were taught there that people would register for.	1/10/2018 10:25 AM
160	more shops, beautification	1/10/2018 9:38 AM
161	The city center will always be Yellowstone Highway.	1/10/2018 4:38 AM
162	I think the city itself is split into an odd shape, so it would it would be hard to determine a "center". I fell Yellowstone Ave is a major hub.	1/10/2018 1:34 AM
163	I would love a "City Creek" an indoor/outdoor mall with major restaurants and retail stores. A place where people can gather, with a water feature and movie theater. A place connected to the rest of the community via walking paths.	1/10/2018 12:59 AM
164	Cohesive, modern, central location	1/9/2018 10:26 PM
165	Recreational activities for all, indoor soccer fields, bigger retail chain stores like target. Business opportunities beyond working retail.	1/9/2018 10:10 PM
166	centrally located "city center" park/gathering area would be nice	1/9/2018 2:16 PM

169	Is there one.	1/6/2018 1:51 PM
170	I can't conceive of one - we don't have a city center, nor a city culture / identity. Downtowns can't be created from thin air.	1/6/2018 1:11 PM
171	What we have now	1/6/2018 10:51 AM
172	Please, let's not lose the small-town, comfortable, warm, human look & feel. Above all, let's stay away from a super-sleek, modern, cold-feeling city center.	1/5/2018 1:15 PM
173	i don't know what you are referring to	1/5/2018 9:31 AM
174	Cleaner? More coherent? I realize most of these weird old buildings are grandfathered in but they aren't very attractive.	1/4/2018 2:36 PM

179	Business and retail hub in the city center.	1/3/2018 3:09 PM
180	Traffic congestion. New I-86 Interchange is a joke and creates serious congestion. Some shabby appearing businesses.	1/3/2018 2:09 PM
181	The building is close to the Yellowstone highway. I looks almost to close to the road and in a cramped spot.	1/3/2018 1:45 PM

190	Nice vibrant area with a good mix of green space and updated buildings	1/2/2018 6:15 PM
191	Pedestrian friendly, variety, community	1/2/2018 5:07 PM
192	I can't even begin to tell you where the city center is. If it's by the city offices that whole area is blighted and ugly. So that needs to be looked at. The city offices are great but all around it is blighted and ugly.	1/2/2018 4:44 PM
193	A bit like Pocatello's a place where you can walk around with your family	1/2/2018 3:42 PM
194	Home, friendly	1/2/2018 12:50 PM

City of Chubbuck's Questionnaire for a Strategic Plan

201	Natural, family-friendly, hopefully not a parking or driving nightmare, lots of trees and walking paths, open air market? Amptheatre? We need more room for sports teams to practice. Cotant, ok and cappel are overcrowded and inaccessible much of the year. Teams cant practice in church lots and elementary school lots. Thank you for your hard work.	1/2/2018 10:12 AM

227	updated	12/27/2017 9:59 PM
228	Where is the city center now? If it's Yellowstone, then I see it looking much the way it does now, just with more attractive food options, like taco bell and Chick-fil-A. Also, walking paths to connect it all away from vehicle traffic would be nice. Also, we need fiber internet for the masses here. We won't be able to compete and be an attractive option to businesses, employers, and employees if we don't have the infrastructure to lure them in.	12/27/2017 9:23 PM
229	Right now a clogged Yellowstone and Chubbuck road with too much traffic.	12/27/2017 9:06 PM
230	Family friendly	12/27/2017 8:46 PM
231	Don't care. Not "city" oriented. Minimalist.	12/27/2017 6:54 PM
232	Walkways have the ability to be covered in bad weather so you can still walk. Open space for Farmers markets, Christmas bazaars/markets, shopping in nicely decorated stores. Nice garbage cans, places to sit and relax. Something that invites me to be there instead of elsewhere. It really needs to be beautiful. Like the city centers in Europe mixed with the outdoor malls of Santa Barbara. Something that invites.	12/27/2017 6:07 PM
233	Walking paths, well lit parking and diversity	12/27/2017 5:17 PM

City of Chubbuck's Questionnaire for a Strategic Plan

150	N	1/13/2018 9:33 AM
151	Chubbuck is really a big neighborhood no mainstream really needed.	1/12/2018 4:16 PM
152	Busy and lively.	1/12/2018 1:07 PM
153	same as #21	1/12/2018 11:48 AM
154	Unsure	1/11/2018 11:26 PM

156	Cleaner	1/11/2018 8:57 PM
157	Cleaner without junky auto sales warn out buildings	1/11/2018 2:13 PM
158	The current Main Street is a state highway, which limits the city's ability to "own" the street for improvements/variations. Perhaps Knudsen is the future main street. It needs to be centralized within city boundaries and play host to community resources. Perhaps the City Hall gets moved there in the future.	1/11/2018 11:17 AM
159	Chubbuck Rd and Philbin	1/10/2018 4:05 PM
160	Yellowstone in both directions is in need of serious clean up in my opinion. From Siphon road all the way to I-86 interchange there are a lot of undesirable buildings and store fronts.	1/10/2018 1:47 PM
161	More eating options	1/10/2018 10:25 AM
162	busy	1/10/2018 9:38 AM
163	City center and Main are the same street which Yellowstone Highway. It would be nice to see the empty buildings filled with commercial business	1/10/2018 4:38 AM
164	Yellowstone	1/10/2018 1:34 AM
165	A quaint jaunt that features local shops and businesses, where you can walk up and down and not have to walk too far to get from store to store.	1/10/2018 12:59 AM
166	No empty buildings or lots, updated buildings, landscaping	1/9/2018 10:26 PM
167	Wider with better flow for traffic entering and leaving it, secondary roads that are wider	1/9/2018 10:10 PM
168	less older buildings/run down areas	1/9/2018 2:16 PM
169	Walkable district with shops, anchor stores, restaurants, and smaller service oriented businesses. Smaller outdoor gathering areas interspersed. Close to housing for future tech workers.	1/9/2018 9:47 AM
170	Glass buildings, attractive/modernized store fronts, better restaurants, etc.	1/8/2018 8:31 PM
171	Is there one	1/6/2018 1:51 PM
172	hopefully fewer dollar stores. Maybe somewhere where we want to spend time and money.	1/6/2018 1:11 PM
173	What we have now	1/6/2018 10:51 AM
174	Does Chubbuck even have a main street?	1/5/2018 1:15 PM
175	quaint, simple, small town but clean feel	1/5/2018 9:31 AM
176	I love the decorations on Hilina and even Yellowstone but Chubbuck Rd is rather drab most of the year. Pedestrian and bicycle traffic access needs improved.	1/4/2018 2:36 PM
177	Traffic flow is good, even on weekends. Beautiful drive for visitors.	1/4/2018 2:01 PM
178	Unknown	1/4/2018 12:25 PM
179	again unknown - where does main street start and stop. i only know the main street as yellowstone.	1/3/2018 5:40 PM
180	Full of citizens walking through the street with diverse offerings for restaurants, local shops and activities. A place for community gatherings and places for citizens to hang out and enjoy.	1/3/2018 3:53 PM
181	Need to encourage some old buildings on Yellowstone to do improvements to make them look as good as the newly constructed buildings do.	1/3/2018 3:09 PM
182	Hopefully, less congestion on Yellowstone and clean and attractive businesses.	1/3/2018 2:09 PM
183	An interspersing of business, recreation, trees and flowers.	1/3/2018 1:45 PM

City of Chubbuck's Questionnaire for a Strategic Plan

184	A cleaner street with more vegetation and welcoming environment	1/3/2018 8:45 AM
185	Overly busy	1/3/2018 8:21 AM
186	Clean, new, well maintained and run businesses including more shopping, entertainment and arts, and high paying employment opportunities	1/3/2018 3:07 AM
187	same as now	1/2/2018 10:44 PM
188	No diverging diamond!	1/2/2018 10:35 PM
189	Better flow. The new overpass system in Yellowstone is horrible. Rush hour is a disaster and I avoid that portion of Yellowstone as much as possible. I think the goal of Chubbuck would be to have better tragic flow. Maybe it's time to review the timing of the lights or consider redoing Thisbe poorly designed tragic system.	1/2/2018 9:38 PM
190	Does not need a Main Street.	1/2/2018 8:55 PM
191	same as 21	1/2/2018 6:58 PM
192	green space between road and sidewalks with trees in it	1/2/2018 6:15 PM
193	shopping, mix of chain and local	1/2/2018 5:07 PM
194	The city center is Yellowstone. Chubbuck needs to beautify, improve or encourage businesses north of Smiths to clean up or sell their businesses. It looks horrible down this road. Mr Mower is now moving so hopefully that property will be cleaned up with some other business coming in. That was the worst looking business on the that part of Yellowstone. Focus on this main road as it's what people see as they are getting gas and food while traveling.	1/2/2018 4:44 PM
195	Same as above, a place you can walk around w your family	1/2/2018 3:42 PM

211	Clean business fronts, easy walking and biking.	12/30/2017 9:50 PM
212	Yellowstone or Chubbuck between Yellowstone and hiline	12/30/2017 4:22 PM

230	first off enforce codes along Chubbuck Road homes all the way down. Several are an eye sore and need cleaned up, this is a busy street and represents our city.	12/27/2017 9:59 PM
231	Same as previous answer.	12/27/2017 9:23 PM
232	Too much traffic, hard to cross the freeway	12/27/2017 9:06 PM
233	Updated and modern.	12/27/2017 8:46 PM
234	Adequate support for passing travelers.	12/27/2017 6:54 PM
235	With our layout, it is going to be busy. Yellowstone is busy. If a new main Street is made, then something can be shut down to encourage walking without disrupting Yellowstone traffic. Moscow, ID does a nice market like that. Parking under it. Possibly a couple of one ways but not necessary. Wide and open but inviting	12/27/2017 6:07 PM
236	Wide side walks and a lot of landscaping	12/27/2017 5:17 PM
237	Not Yellowstone	12/27/2017 3:37 PM

242	Hopefully more employers and quality business	12/27/2017 2:24 PM
243	Well kept	12/27/2017 1:35 PM
244	Bigger and a lot more efficient. The traffic there is horrible. It takes 4 light cycles to get from Chubbuck to Pocatello at the interchange.	12/27/2017 1:34 PM
245	A fun place with store and food places to enjoy.	12/27/2017 1:11 PM
246	I would love to see something with that small down town feel....huge flower baskets, nice light poles, beautiful facades on the businesses. More pedestrian friendly. Public events including merchants, music, food. Playgrounds and things that make it more family-friendly.	12/27/2017 12:47 PM

City of Chubbuck's Questionnaire for a Strategic Plan

194	It feels small and warm and welcoming. People here are honest, neighborly and genuine. The city offices look great. I love the chime of the clock, and the minuteman out front. Kudos to the flags placed down Yellowstone for patriotic holidays. They never had summer movies in the park when our kids were little, but we love that whole idea and are looking forward to taking our grandchildren when they're here visiting. I appreciate the trash collectors--they are consistently underappreciated! They do a great job and have always been super helpful and kind. I like Chubbuck Pride and the annual city-wide clean up. Little things, like Christmas-tree pickup, being able to call for tree branch pickup or extra leaf pick up are super. It helps create a strong sense of community.	1/5/2018 1:15 PM

193	Fix up Bicentennial Park. Over the years, the city has added vast amounts of asphalt to Bicentennial Park and removed the tennis courts, all without asking the neighborhood how they felt about it. Bicentennial park has a huge blacktop area connected to the basketball courts that is an eyesore and rarely used. Our children used to play soccer in that green space, now there's no where to play. The newly installed horseshoe pits are rarely used, and we have a hideous mess of old tennis court blacktop. Could it please be removed? Give us some green space, a few more benches, and replace the trash willow trees that are slowly dying. If you'd let us, this little neighborhood could easily organize and come together for an Arbor Day tree-planting project. I'd be happy to help. Kudos to the park workers and neighbors who (1) Clean up after lunch in the park all summer long; and (2) plow the Bicentennial Park walkway in the winter and do their best to keep it clear. It is very much appreciated! I don't know if the city has any idea how much that walkway is used.	1/5/2018 1:15 PM

142	More school funding	1/10/2018 10:25 AM
143	community	1/10/2018 9:38 AM
144	Get the ordinance officer out of the office and looking for violations. Try walking in this area in the winter. It is amazing how many people DO NOT clean off the sidewalk. I'm 70 and the day after any storm my sidewalk is clear. My neighbor is about 25 and he never cleans off his sidewalk. So for me to walk my dogs....again I am out in the street with morons driving by at over 50 mph.	1/10/2018 8:22 AM

155	find a reason to remain a separate city from Pocatello	1/6/2018 1:11 PM
156	Continue making small changes to protect the environment and preserve dwindling habitat for native species. (1) We really like the city's recycling efforts. Please keep up the great work. (2) We are overrun with cats. Even though Chubbuck has a leash law, most cat owners are unaware or somehow feel their pet should be the exception. While animal control is always willing to respond to complaints, it's awkward, can't be done anonymously, and therefore causes hostility among neighbors. But seriously, I am scooping cat messes from my FULLY FENCED backyard on a daily basis, and frequently find songbirds that have been killed by cats. I don't know how to resolve this issue, but it's an ongoing problem. (3) We are waging war with ring-neck doves. This non-native, aggressive species is running off the timid native mourning doves. Every spring, we have fewer doves and more ring-necks. They need to be eliminated, and we'd gladly shoot them, except it's illegal within city limits. Can the city do anything? (4) Maybe it's the county and not the city at all, but could we please make sure our weed control efforts do not include spraying the milkweed? The declining monarch butterfly population desperately needs the milkweed that grows native along our canal banks.	1/5/2018 1:15 PM

187	I'm not a big mall shopper, so don't have an opinion on that. Whenever we can, we use local businesses for our goods and services, and have always had top notch service. 190	too much growth	1/2/2018 10:44 PM
191	Yellowstone Ave	1/2/2018 10:35 PM
192	Planning and Zoning seems to bully. They have an agenda and are willing to tell the City Council that's they don't have a choice but to do what they want. The city isn't more than happy to throw a cheap business into an area that clearly should be residential only because the city would not have to beatify the area. The city is looking only at money right now and doesn't care how neighborhoods look or are maintained. Sad that the city cares very little about residents and highly in how to make a quick buck. This isn't one reason why Josh Ellis is no longer on the city council. Pro growth is good if you keep the best interest of the resident so in mind, I really question this with the city right now.	1/2/2018 9:38 PM

178	The explosion of technology and the decline of traditional family values. So many of our youth feel lonely, stressed and overwhelmed, and many lack family support. State-mandated educational testing has changed the way schools run. Schools have become a high-pressure, stress-filled environment rather than a warm, supportive place. I think Chubbuck does a great job providing recreational activities, organized sports, and green spaces for young people. We need to keep up the good work. Young people today face a hostile world, and without healthy outlets and good support, too many fight depression and loneliness or turn to drugs and gangs. Anything that supports and strengthens families benefits youth.	1/5/2018 1:15 PM

44	We need to resolve the traffic issue with Connor Academy. No planning was done before it was built to accommodate for the 500+ students that have to provide their own transportation to/from school. Even though it is a school that doesn't contribute any property taxes, it is a pain to everyone who lives on either side of it because of the extra congestion it creates and the accidents that have occurred because of no turnout areas and lack of lower speed limits during school hours.	1/26/2018 2:17 PM

92	Sports and community go well together. Our sports aren't a strong factor and that's partially what we have to play with. I play baseball our fields in Chubbuck are horrible. Our football fields are too. To bring in more people to the city for our local stores we should have tournaments our competitions started by the city to get more attention.	1/16/2018 10:12 AM

98	Yes the street resurfacing throughout the neighborhoods was a scam. It did nothing for preventative maintenance. All it did was half glue rocks to the road that continue to come back off. It has ruined our carpet and new floors. The street sweeper collect some rocks but the sweeping action just breaks up more rocks off the road. A very cheap job, with rocks everywhere no matter how much it is swept.	1/14/2018 9:35 PM

When doing an internet search I located a facebook page for a few, and surprisingly, facebook allowed me to link to this survey. I say surprisingly because I DO NOT have a facebook account, and WILL NEVER have a facebook account. So post email addresses for council members on the website in a location easy to navigate too.	1/10/2018 8:22 AM
107	Fix the issue current. Don't start forcing a rec center as a bond on the citizens. Improve what we have currently.	1/10/2018 4:38 AM
108	I have lived in Chubbuck for many years and have had many instances of disappointment. I have been frustrated with the construction project they did on Whitaker Road. The contracted company did a very poor job, and we have been dealing with the city ever since. It has been horrible and never ending.	1/10/2018 1:34 AM
109	i'd love to see some Chubbuck Pride, we recently considered moving south of town in Pocatello but i'm excited to see the growth come to Chubbuck. I'm excited about the North Gate Project and hope it turns out to be well thought out and not something that won't age gracefully. I'm from California but have lived all over the world. i would love to adopt some of the community planning that's going on in places like Boise and Meridian. community pools/bike trails etc. Chubbuck needs a more active lifestyle.	1/10/2018 12:59 AM
110	Get the State to build a new office building	1/9/2018 10:26 PM
111	Fiber internet is a critical infrastructure upgrade that seems to be stalling. High speed (>200mb/s with no data caps) at a reasonable price (<\$75/month) is a requirement for attracting younger people. This will also boost home values where available.	1/9/2018 9:47 AM
112	Don't be secular when planning consider all income levels abilities to .have options available to them not based on being able to afford them	1/7/2018 10:47 PM
113	More law enforcement. Teach people to use the round a bouts.	1/6/2018 1:51 PM
114	Chubbuck should either merge with Pocatello or needs to find a cultural identity. This is no longer a bucolic area of farmland that some seem to think it was back in the 60's. We are dollar stores and trailer parks - we need to become something more.	1/6/2018 1:11 PM

City of Chubbuck's Questionnaire for a Strategic Plan

115	We would really love to see Hawthorne (between chubbuck road and siphon) redone. We love all the parks here.	1/5/2018 9:31 AM
116	Switzerland provides freeway traffic noise barriers all along its lengths to protect citizens. Chubbuck doesn't even have warning signs from either direction to traffic making the turn down into Chubbuck from the freeways. Truck drivers use their compression breaks (jake brakes) freely. They don't care if it disturbs residents. Chubbuck could monitor those roads and hand out plenty of tickets for non-compliance. The wellness complex provides nice views but you must breathe traffic and freeway exhaust fumes. Not healthy.	1/4/2018 3:42 PM
117	Pass at this time	1/4/2018 2:36 PM
118	Stay on top of traffic infrastructure. Don't let the population growth outpace the need for roadways. Traffic gridlock creates misery in the community.	1/4/2018 2:01 PM
119	Building code enforcement	1/4/2018 12:25 PM
120	there in nothing in this report requesting what "commercial property owners" who are do not "live" in the City of Chubbuck but we pay extremely high utility bills for water,sewer and sanitation and electricity and property taxes. When there is an opportunity to sell our commercial property to another type of entity and they see our P/L's their first remark is that the utilities expense is terrible compared to other area's, even though they wish to be in our City and not Pocatello. Not sure why this report did not ask for business owners information as most of Yellowstone and other roads have businesses and very few have residences. Over 40 years of owning commercial property and very few changes other than an exit to the interstate and a few new businesses but not the kind of businesses to help Chubbuck grow.	1/3/2018 5:40 PM
121	Communication is key. Social media, websites and advertising is important to keep residents in the loop and involved.	1/3/2018 3:53 PM
122	I suggest you make it easier for citizens to sign up for water services when they buy a home. Many people complain about the documentation required.	1/3/2018 3:09 PM
123	Pay more attention to the public when important issues/developments are proposed	1/3/2018 2:09 PM
124	Set up area or community committees to place replace quality trees and shrubs in the parks to replace the old and dying ones the parks have now. Chubbuck does not have a recreation center for the people to use for healthy activities i.e. swimming pool and/or public access fitness center. Chubbuck is the largest city in the Northwest United States that does not have it's own public high school. Chubbuck need one. Another thing. The city has a lease law for pets. The dogs usually follow the lease laws. The cats don't seem to follow the "No Lease rule". run around dumping, fighting and being a problem. There are some things the city could to teach the citizens how to manage free roaming cats. There are types of cat containment in the which the citizens could be taught to build them what will encourage cats to stay fenced.The enforcement of the free roaming cats would be greatly appreciated. Thousands of song birds are killed each year by these animals. Many cats dump on lawns. The cat owners just say "well I can't help it!"	1/3/2018 1:45 PM
125	I love the idea for the new Northgate community. It sounds like a great place to live and may convince me to stay in Chubbuck and attend ISU instead of going out of state	1/3/2018 3:07 AM

127	Keep Single Family Homes in New Neighborhoods and do not mix in duplexes	1/2/2018 10:35 PM
128	LEt the city grow, but remember current residents deserve to be treated fairly, the city should look at beautifying the city (possibly begin a tree farm), and keep residential areas separate from businesses. Lastly, encourage cleanliness and upkeep of yards. Some areas in town are losing value quickly when they looked good five years ago.	1/2/2018 9:38 PM

136	Widen siphon road and zone the areas along siphon as commercial. Improve street resurfacing practice. Some residential streets are in very rough shape. Continue the canal along Hawthorne in pipe from canal street to siphoned and widen that section of Hawthorne. The bottleneck at homestead and Hawthorne can be dangerous to drive in adverse conditions.	1/2/2018 11:32 AM
137	we need to be careful not to become anywhere USA and have our own identity	1/2/2018 10:48 AM
138	Control where and how many apartment complexes there are. Nobody wants them and they always end up being a problem.	1/2/2018 10:31 AM
139	I think it would be best to focus for the family environment rather than the millennial group. We are a unique town with a family feel. We aren't Boise, and most people here like that. We shouldn't try to be anyone else, but improve on what we are.	1/2/2018 10:16 AM
140	I think you're doing great. I think beautify and modernize is the key. Stop cutting down trees on main roads and figure out a better way to deal with Yellowstone. A sports facility park would be great. A massive amount of the kids who play sports in pocatello live in chubbuck. Our few parks are overcrowded.	1/2/2018 10:12 AM

32	Why is water billing so high	1/26/2018 9:21 PM
33	The roads in older neighborhoods really needs addressed. The newer neighborhoods have been chipsealed while older one are in desperate need of improvement. The Stuart area was a great improvement and the Cotant area will also be nice once it is all done. However, the area between Cole and Dorian definitely needs done as I am sure other older areas are. They aren't in the plan to be redone in the next few years, even though they need done. I have heard from a former councilman that this is because the city needs to focus it's attention on the Siphon project. Please don't forget the other areas of town that need repair all the while investing in a project that may turn out to be Hoku 2.0.	1/26/2018 2:17 PM

100	Don't prwad too wide develop in them go wider	1/7/2018 10:47 PM
101	It is time for everyone to shoulder the burden for recycling - I am tired of paying for the "choice" to do the right thing while my neighbors have no obligation. Good community stewards shouldn't be punished economically. BTW - You don't have an "NA" choice for questions where the respondent is less informed.	1/6/2018 1:11 PM
102	Thanks for the opportunity to express opinions. It's part of what makes Chubbuck great. You can't go through a survey like this without realizing how fortunate you are to live in a great city, run by people who are genuinely trying to do a great job. Many thanks to all of you!	1/5/2018 1:15 PM
