

Recreation League Photographer RFP questions:

1. Do all players in the leagues get portraits as part of their registration?

Answer (1/29/24): All individuals and teams are photographed but whether to purchase photos is at the discretion of the parents/guardians. The Chubbuck Recreational League does not provide photos as part of the registration cost.

2. At minimum, what should be proposed?

Answer (1/29/24): Packages offering team and individual portraits should be offered as part of the proposal. Other offered items may be offered, however, for purchase by customers.

3. Can I apply for one of the three programs?

Answer (2/01/24): No, one vendor will be awarded the Recreational League Photographer contract. The vendor may subcontract, if they choose to do so.
